Comment. The present report indicates that, on the average, the following numbers of cars were loaded daily:

Railroad District	Total	SOO
Berlin	2,143	189
Greifswald	878	23
Schwerin	1,264	78
Cottbus	3,557	56
Magdeburg	3,543	110
Halle	8,661	86
Erfurt	3,853	57
Dresden	4,699	73
	28,598	677

Compared to the last reported period, the total loading performance decreased by 2,449 cars. The numbers of cars loaded for the Soviets increased by 54 and amounted to 2.4 percent of the total loading performance. This slight increase was due to troop movements between military posts and troop training grounds in the Cottbus, Magdeburg, Halle, Erfurt, and Dresden railroad districts.
